### **What Unbound Participants are Saying...**

"I am leaving with an absolutely new level of freedom. I had something in my heart for almost thirty years. It made me fearful, uncertain, and jealous. Now I am free."

"The team was great; they showed me love, respect, and encouragement. I couldn't thank them enough, especially the leader. I've been freed from anxiety, depression, and panic attacks."

"Before attending the conference, I was at rock bottom again in my life and had told my husband I was filing for divorce. I carried around so much junk in my heart that I wanted to free my husband of my horrible choices. At the conference my burden was lifted, I was FREED of the junk I thought I had to carry forever as a reminder of my choices. Not only my choices, but my parents' choices as well. I went home talking to God the whole way."

"I was under constant self-condemnation for past confessed sins, and I felt worthless. Now I am free to bask in Jesus' love for me."

"I was prayed over on Friday and felt a heavy load of sadness and pain just lift off my shoulders and heart. I experienced acceptance and peace and felt the love of Jesus."

"The time I was prayed over and ministered to lifted years of abuse and self-loathing off of my shoulders! Over the years I had many traumas that left me with no identity. Through the healing ministry on Saturday afternoon I was restored to full life. I thank God for the opportunity to be at the Unbound conference. All of the cords of abuse were severed, and I am left completely free."
