ABOUT THE ARTIST

CHRIS COLE is a singer-songwriter and recording artist based in Baton Rouge, Louisiana. Along with influences in classic country, blues, soul, and pop-rock, his cultural roots greatly inform his art. The end result is well-crafted songs built on a shared human experience.

Immediately after recording his latest EP (*Full and By*) in Nashville back in 2015, Chris spent 30 days walking the Camino de Santiago — 500 miles across Spain — with his ukulele in hand.

We know you'll enjoy the songs + stories of Mr. Chris Cole.

**This show is open to all ages. There is a suggested \$5 donation. Doors to the church basement open at 7:00 p.m. + the show will start shortly after.*
