

St. Peter BINGO returns on Thursday, October 1

WHAT TO EXPECT WHEN YOU RETURN

- ⇒ We will resume Bingo at the normal time; doors open at 5:00 pm. Subject to change if we have an outbreak.
- ⇒ We will have one designated entry point through the main vestibule of the Church. All other doors will be locked. Once you reach Fehrenbach Hall, please follow the signs.
- ⇒ You will be required to wear a mask when you arrive and when you are out of your seat. We recommend you wash your hands before leaving home and bring hand sanitizer with you; hand sanitizer will be placed at various points in Fehrenbach Hall.
- ⇒ Ushers will seat you as we will have individual and family/group seating.
- ⇒ There will be a maximum capacity limit. Seats are designated by signs and labeled with taped areas designated as “no seating.” Do not move chairs as they have been placed for distancing. We will practice social distancing according to health guidelines.

We ask that you report to us if you have contracted the COVID virus so that we can keep our participants safe.
